

# Mental Health STARTS HERE

*From birth to five years old, caring relationships are KEY to ensure the best outcomes for your child.*

To speak to someone about mental health options for you and your child, please contact

Connecting Point  
[connectingpt.org](http://connectingpt.org) OR (316) 267.3535

For a complete listing of community resources, contact

United Way  
2-1-1

A project of the Sedgwick County Early Childhood Coordinating Council (SCECCC), Infant Mental Health Workgroup.  
Funding for this poster provided by Kansas Association for Infant & Early Childhood Mental Health (KAIMH).
