

# S.C.E.C.C.C.

Sedgwick County Early Childhood Coordinating Council

## WE ARE

*a network of early childhood professionals, community members and families that collaborate to improve the lives of all young children in our community.*

## OUR MISSION

*is to connect young children and families to resources by improving access to services, educating the community and speaking with a common voice.*

*SCECCC meets quarterly in different locations throughout Wichita.*

# WHAT S.C.E.C.C.C. DOES

## CONNECTING FAMILIES

- Leads in strengthening early childhood services and systems in Sedgwick County.
- Facilitates relationships with early childhood communities across the region.

## COMMUNITY DEVELOPMENT

- Engages the community in Council activities.
- Actively seeks family input.
- Has systems that insure efficient and effective communication.

## COLLECTIVE VOICE

- Supports and empowers families as the best advocate for their child.
- Proactively promotes early childhood services and systems.
- Influences issues that affect young children and their families at the local, regional, state and national levels.

SUPPORTING CHILDREN AND FAMILIES  
THROUGH COMMUNITY COLLABORATIONS
